Influences of the Flood in Thailand and Donations for Sufferers

KOITO MANUFACTURING CO., LTD. (the Company) announces the impact of damage caused by flooding in various areas of Thailand on the operations of the Company's consolidated subsidiary based in the country and the Company's support for relief is as follows:

1. Damage

There is no damage to our employees and no damage to equipment, such as inundation of the plant, that will hinder production in THAI KOITO COMPANY LIMITED (THAI KOITO), a consolidated subsidiary of the Company.

2. Effects on Business

We are currently studying the effects of this flood on our consolidated business results, and if the effects appear to be serious, we will announce them without delay.

3. Donations

The Company has decided to donate 10 million yen toward the relief and recovery effort, in addition to donations from our executives, employees, and affiliated companies.

We express our hearty sympathy to the people affected by the flood and all parties concerned.

We sincerely hope for the rapid restoration of the areas.
